

Salt Mine Berchtesgaden

ACCOMPANY THE MINERS
ON A THRILLING JOURNEY

DESTINATION INFO

The mine's railway, separated from the mining area by only a rock face, takes you 650 m deep into the mountain, where you'll find the cavernous Salt Cathedral and the spectacular Miner's Slide. The one hour guided tour through the underground system provides an exclusive look back at the history of the Berchtesgaden salt and German engineering. There is so much to experience such as the underground Mirror Lake and the Magic Salt Room.

- ★ **Tip:** Visit the Bavarian restaurant directly at the Salt Mine!
