

# ALPEN AIR

SCENIC FLIGHTS: THE MUST-DO TO DISCOVER BAVARIA

## OVERVIEW

**ALPEN AIR** is the only airline in Germany that offers professional sightseeing flights over some of the most scenic places of the world: Munich, the Bavarian lakes, Neuschwanstein Castle and the Alps.

### Our Services:

- ★ guaranteed window seat
- ★ huge panoramic windows
- ★ experienced professional airline pilots
- ★ live commentary and enroute information
- ★ noise cancelling BOSE headsets

## COMPANY'S HISTORY

- ★ **2021:** ALPEN AIR was founded by professional airline pilots.
- ★ **2022:** ALPEN AIR introduced the TECNAM P2012 Traveller, the most modern and economical aircraft in its class. It offers an unmatched level of safety and comfort for nine passengers.

## SCENIC FLIGHTS OVERFLYING

- ★ **Cultural highlights:**  
Plenty of different castles and monasteries, Munich's historic old town with its churches
- ★ **Preserved Nature:**  
Numerous colourful lakes, picturesque Bavarian landscapes, spectacular Alpine peaks
- ★ **Bavarian Top Spots:**  
Neuschwanstein Castle, Mount Zugspitze, FC Bayern Munich stadium, Olympic Park, Concentration camp memorial Dachau

## DID YOU KNOW THAT ...

- ★ ... ALPEN AIR passengers automatically compensate for their CO2-emissions with their ticket purchase?
- ★ ... ALPEN AIR is the first European airline to operate the brandnew TECNAM P2012 Traveller. It consumes 30 % less fuel than comparable aircraft?
- ★ ... no other region in the world offers a comparable variety of mountains, lakes, historic castles and an attractive city?
- ★ ... the two-hour ALPEN XXL-flight covers the highlights of Bavaria equivalent to a week's ground travel?

## BOOKABLE SPECIAL EVENTS
